Unlike most pilgrimages, which usually involve an individual going to a sanctuary to venerate a saint, The Pilgrimage of Don Bosco's Relic is actually bringing the relic to the people! The relic of Don Bosco will be transported to the United States to grant individuals an opportunity to honor, respect and pray to St. John Bosco. Join the Salesian Family at the Alario Center or one of the Salesian parishes. For more information call (504) 340-6727.
